EVERY periodical that PGST ever produced is now available in a digital format. This covers each periodical from 1984 through 2008, including special editions.

Also included is a Table of Contents listing each periodical and the Surname Index for 2008-2009.

PGST is offering this for a special price of $50.00 in the format of your choice. This is a substantial savings when you consider that a hard copy of each periodical cost $6.00 or more and the Special Editions cost $14.00 each.
